

## How to get to the Summerschool at the South Asia Institute

### By car

Coming from the highway A5, get onto motorway A656 vers Heidelberg (Stadtmitte), head towards "Chirurgie/Zoo" at the end of the motorway (left hand). Keep on following the direction "Chirurgie/Zoo" and cross the Neckar via the Ernst-Waltz-Brücke. You are on the Berliner Strasse now. At the third traffic light on Berliner Straße turn left to the University Institutes into Neuenheimer Feld. The South Asia Institute is about 200 meters from there, located in the field left hand from the road. Take the second turn to the left to get to the parking facilities right in front of the Institute. Since parking space is always scarce and expensive, we would advise you to avoid coming by car.
